

Nuclear Science, Technology and Innovation in Canada – Securing the Future

Robert Walker
President & CEO | AECL

AECL Centres of Excellence

- **Nuclear & Radioactive Material Management**
- **Irradiation & Post-Irradiation Services**
- **Nuclear Safety, Security & Risk Management**
- **Radiation Biology, Radioecology & Dosimetry**
- **Materials & Chemistry in Nuclear Applications**
- **Advanced Nuclear Fuels & Fuel Cycles**
- **Systems Engineering**
- **Advanced Computing, Modelling & Simulation**
- **Hydrogen & Hydrogen Isotopes Management**
- **Environmental Remediation & Nuclear Waste Management**
